NJ BUREAU OF PESTICIDE CONTROL REGISTRATION NO.

Application of HERBICIDES or PESTICIDES shall be by COMMERCIAL APPLICATORS, LICENSED by the STATE of NEW JERSEY Bureau of Pesticide Control, and in conformance with New Jersey Pesticide Control regulations as promulgated pursuant to NEW JERSEY Pesticide Control Act, as amended.

The control ordinance imposes certain requirements on the homeowner or tenant to notify occupants of any adjacent and /or contiguous properties.

This permit shall expire December 31st of the year issued.

This permit is to be obtained at least two (2) days prior to spraying of pesticides.
